To our customers with allergies: We openly handle several allergens throughout our store, including dairy, soy, tree nuts (e.g., almond, coconut, etc.), eggs, wheat and others. While we take precautions to keep ingredients separate, we cannot guarantee that any of our beverages or foods are allergen free as we use shared equipment to store, prepare and serve them. Examples of shared equipment include the rice machine, blender, and display case. Please consult your doctor if you have questions about food allergies, so that you can make the decision that is right for you.
